

# PETER PIG year 26

## Welcome to the Peter Pig catalogue February 2012

**Rules For The Common Man.** *All of these rules are written with playability and a feel for the period in view as the main criterion. Most of the rules use ordinary 6 sided dice. Each set contains new mechanisms and ideas for that period. Most sets have a play sheet as the rear cover. It is worthy of note that it is more difficult to write simple rules that reflect a period in history than to write complex ones. All rules are suitable for multiplayer or club games.*

**These are the UK rule prices. Overseas postage on books is very high indeed and thus the basic rule price is higher too, in order to offset some of the extra costs involved.**
